

Test INLA with Experiment 1

Zhe Sha

May 26, 2017

In this report we test the INLA package by using the setting of *Experiment 1a*.

1. setting of Experiment 1a
2. Transformation of the hyper parameter and choosing the prior
3. Test the "Principle of stable inference" theorem (cite result and paper)
 - (1) error size
 - (2) error cluster
4. Test mesh size effect
